

MARLBOROUGH HEARTLAND

2024 SAUVIGNON BLANC

A premium Marlborough Sauvignon Blanc, crafted through an unmatched partnership of grower families, respected winemakers and pioneering spirit that exhibits an unwavering commitment to quality artisanship.

Marlborough Heartland is a collaboration between Marlborough wine pioneer Dave Hohnen and more than 80 farming families to produce an authentic, classic Marlborough Sauvignon Blanc from some of the region's very best grapes.

Colour/hue

Bright lemon with hints of silver at the edges.

Nose

Lime zest and citrus flower with hints of herb, flinty minerality rounded out with ripe passionfruit.

Palate

Ripe citrus with green tropicals up front, expanding into passionfruit and hints of ripe papaya. Tight acidity and a light phenolic grip lead to a long finish.

Food matching

Pairs easily with fresh foods, oysters, scallops, beurre blanc etc.

Has the depth and palate to also work well with Carpaccio, beef or kingfish, and cuts nicely through a carbonara. Counters the richness of chèvre.

Equally as comfortable with fish and chips, swinging your legs off the dock on a sunny day.
